We are Lora, Nataly, Alex and Ognyan and we represented Bulgaria and our school - 119 SOU „Academician Mihail Arnaudov“, in Brno, Czech . We were with our teachers Mrs Petya Mincheva and Mrs Mariana Nedialkova, participating in the third course “THE USING OF WATER TODAY” – a part of ERASMUS+ project “WATER AND ITS MAGICAL POWER”.

DAY 1 (28.09.2015)

Our exciting journey begins. Good luck, Bulgarian group!

We flew from Sofia to Vienna and from there we took the bus to Brno.

It took us about two hours. When we finally arrived at Brno we were tired but also very happy. At the bus station we met with our friend-hosts and their families who took each of us to their homes.

DAY 2 (29.09.2015)

We met in front of the bus the next morning and took off to meet the other teams at the school. Everyone was there and so we began

our presentations. Each team introduced themselves and told us a bit about the country they are coming from. It was very interesting. Although the most exciting part of the day were the workshops. (“Bubble show”, “Water over gold”, “How many rivers are there in Greece?”, “Warm up with water”)

DAY 3 (30.09.2015)

The most amazing day! We went to the mountains. We had to

walk a lot but it was worth it. We saw beautiful caves with flowing rivers inside. We took a ride in boats. After lunch, we went on to visit a castle which was near the town. Astonishing!

DAY 4 (01.10.2015)

In front of the school building again. It's the first day of October. We had a tour around the town and visited the fountains and the water falls. Svatka and Svitava are the names of the rivers of Brno. We also visited St. Peter and Pavel's Cathedral.

Finally, we had lunch at school. Then we had to work in groups: one member from each country.

DAY 5 (02.10. 2015)

Today we met in front of the school at 8:20 and then we went to see the water power station near Brno. We were shown some presentations, and then we went to see the turbines. Afterwards we got on the bus again and the driver took us to a brewery ...

DAY 6 (03.10.2015)

It was a very busy day - our last day here. We met in front of the school at 9:00 o'clock a.m. We travelled by tram to Brno's reservoir.

Then we went by boat to Veveri castle. The trip was amazing and the view was incredible.

After lunch we went to school and we saw a presentation. We danced and laughed. Nobody wanted to leave. But at the end of the day we had to go back to our host families.

DAY 7 (04.10.2015)

It's time to say Goodbye. We travelled back to Vienna. There we went sightseeing for a while. We saw the cathedral "St. Stefan" in the city center. In the late afternoon we flew back to Bulgaria. Our trip was a success and an unforgettable experience.

THANK YOU FRIENDS! THIS WAS AN AMAZING MEETING!!!
